## iXpand™ Flash Drive

The Flash Drive for your iPhone and iPad

### Highlights

- Free up space on your iPhone<sup>1</sup>
- Automatically back up your photos and videos<sup>2</sup>
- Watch popular-format videos directly from the drive<sup>3</sup>
- Designed to fit most iPhone cases
- High-speed USB 3.0 transfer speeds of up to 90MB/s to and from your computer<sup>4</sup>
- Easily manage your photos and videos with the iXpand Drive app<sup>2</sup>

Made for  
Apple iPhone | iPad | iPod

Download on the  
App Store

Designed to be the perfect companion for your iPhone, the iXpand Flash Drive offers an easy way to free up space on your iPhone, automatically back up your camera roll, and even watch popular-format videos straight from the drive<sup>5</sup>. The drive has both a flexible Lightning connector that works with most cases and a USB 3.0 connector to plug into your Mac computer or PC so you can easily move your stuff where you want it.

The iXpand Flash Drive also includes encryption software that lets you password-protect files, so you can share your content while keeping sensitive files secure across your devices<sup>6</sup>. Take all the photos and videos you want—the iXpand Flash Drive delivers a fast and simple way to free up space on your iPhone so that you're always ready to capture more memories.
