

SanDisk® Phone Drive

Capture, store, and share

Whether it's videos of your family or the playlists that make up the soundtrack of your life, your phone is a curation of everything you love. And despite what your "Storage Full" notifications tell you, there's nothing wrong with loving a lot. Make room for even more with the SanDisk® Phone Drive. It's a two-in-one flash drive that connects directly to your iPhone, iPad, or MacBook¹, making backup, transfer, and security features a cinch for your precious files². You'll feel confident to keep creating, capturing, and enjoying.

HIGHLIGHTS

- Free up space on your phone to make room for content you create and enjoy.
- Back up precious photos and videos automatically from your iPhone¹ using a SanDisk® app².
- Move content seamlessly between your iPhone, iPad, and MacBook¹ with dual Lightning and USB Type-C™ connectors.
- Password-protect your files³ across iPhone, iPad, and MacBook¹.
- Stylish dual-purpose swivel design protects connectors and features a keyring hole to take your drive on the go.
