Table of REACH compliant products

Description of the product	3.5-inch hard disk drive
Product / Model Number	Ultrastar DC HC330 / WUS721010ALE6Lx; WUS721010AL520x Where "x" is any character

Western Digital products are in compliance with European Union Regulation 1907/2006 on the Registration Evaluation Authorization and Restriction of Chemicals (REACH).

Based on information provided by our suppliers, Western Digital designates the products listed in this certificate as REACH compliant for orders based on or after the date of this certification.

REACH compliant means that:

- Our products are not intended to release substances during normal and reasonably foreseeable conditions of use.
- Regarding the Substances of Very High Concern (SVHC) updated candidate list recently released by the European Chemicals Agency on January 15, 2019.
- WD provides customers with information on Substances of Very High Concern (SVHC) contained in products in concentration above 0.1% by weight in a component within the product.

Substance Name	CAS Number	Article (where SVHC >1000ppm)	Weight (mg in article contained in worst case ppm)
Lead monoxide (lead oxide)	1317-36-8	Resistor	0.0032
Lead	7439-92-1	Diode die attach solder paste,	2.6125
Lead titanium zirconium oxide	12626-81-2	PZT ceramic	11.08

- We will continue to monitor the status of the candidate list as part of our on-going compliance activities, including the possible need under Article 33 of REACH to inform product recipients and consumers if an article contains more than 0.1% by weight per article of any substance that is added to the SVHC candidate list in the future.
