1. Terms And Conditions

These Terms are an integral part of the Terms of Use that apply generally to the use of our Site. You should also carefully review our Privacy Statement before placing an order for Devices or Services through this Site. Your purchase of Devices and Services through this Site is subject to our Privacy Statement.
2. Ordering And Acceptance; Cancellation Policy.

a) You agree that your order is an offer to buy, under these Terms, all Devices and Services listed in your order. All orders must be accepted by us or we will not be obligated to sell the Devices or Services to you. We may choose not to accept any orders in our sole discretion. After having received your order, we will send you a confirmation email with your order number and details of the items you have ordered. Any order confirmation email received by you prior to our acceptance shall constitute an acknowledgement of our receipt of your offer only, and not an acceptance of your offer.

b) You need an email address to place an order, and you may need to set your browser to accept both (functional) cookies and pop-ups in order to be able to use all the functionalities of the Site, which includes adding items to your shopping cart and submitting your order. You acknowledge and agree that if you are placing an order through the Site, by clicking or activating the button or hyperlink to submit your order, you are placing a legally binding offer. You consent to: (i) the use of electronic communications in order to enter into contracts and place orders with us; and (ii) the electronic delivery of notices, policies and records of transactions initiated or completed by you online.

c) WDT sells Devices and Services through this Site to individual consumers solely for their personal use. WDT does not appoint you or anyone acting on your behalf as a reseller, distributor or other agent or representative of WDT, and therefore purchase of Devices for resale is strictly prohibited. Purchase for resale means the purchase of a Device by someone who resells, or intends to resell, the Device to others (whether consumers, businesses or any other third party). If WDT believes you are involved in purchase for resale, WDT reserves the right to restrict sales to you, to cancel your orders, and/or to suspend or close your account, in addition to taking legal action.

d) Please review your order carefully before you place it. Unless stated otherwise with your order (for example, an order marked ‘final sale’ or similar), you have a limited period of time to cancel your order before it is shipped. For additional information about cancelling your order, please review the Returns and Cancellations Policy. You can also call Customer Support at (800) 275-4932.

e) While we make every effort to ensure that items appearing on the Site are available, we cannot guarantee that all items are in stock or immediately available when you submit your order. Furthermore, Devices and Services may vary depending on your region or hardware components. In addition, there may be limits on where we can ship Devices or provide Services. We may reject your order (without liability) if we are unable to process it, fulfill it or provide it. If we reject an order for any reason, we will refund any prior payment that you have made for that item, without undue delay, and we will not bill you further amounts for that item.

f) We may place a limit on the quantities that may be purchased per order, per account, per credit card, per person, or per household. If Devices or Services that you ordered are unavailable, we may contact you to offer you an alternative Device or Service. If you do not choose to purchase the alternative Device or Service, we will cancel your order and, without undue delay, we will refund any prior payment that you have made for the cancelled Device or Service, and we will not bill you further amounts for that item.

g) Our acceptance of your order and the formation of the contract of sale between WDT and you only occurs at such time that we have both (i) dispatched your Device order and/or provided you with access to the Services, and (ii) received payment of the purchase price of your order.
through settlement of funds via your provided credit card or other permitted payment method ("acceptance"). We may cancel your order at any time and for any lawful reason prior to acceptance.

h) By submitting your order, you represent and warrant that (i) you are an individual consumer located in Canada who is purchasing the Device or Service for your own personal use in compliance with these Terms and the Terms of Use, (ii) all information supplied by you in placing your order is accurate and complete, (iii) you are not impersonating another person and (iv) you are not utilizing any program or routine to accelerate purchases or to make multiple purchases through different accounts to conceal your identity. Without limiting any other right or remedy we may have under these terms or applicable law, we may cancel, terminate, modify, or suspend all or any part of any order or orders (including orders that we have accepted) if WDT has reason to believe, in its sole discretion, that such order or orders may have been placed in breach of these Terms or the Terms of Use, may impose a risk or burden on the Site or other users of the Site or may corrupt or impair the proper performance of the Site.

i) WDT is not responsible for technical failures that limit your ability to complete a purchase on the Site, including any failures caused in whole or in part by any computer system, phone line, hardware, software, lost, interrupted or unavailable network connections, delayed computer transmissions or any technical or human error that may occur in the processing of your orders.

j) Without limiting the generality of any other section of these Terms of Sale, we reserve the right to limit or refuse any order you place with us. Further, we reserve the right to verify the validity of all orders and/or cancel any order if we find evidence of fraud, tampering and/or any other violation of these Terms of Sale. We also reserve the right, in our sole and absolute discretion, not to ship items ordered or purchased through the website to certain addresses. In the event that we are unable to or choose not to ship an item, you will be notified accordingly and the amount for that item charged in relation to your order will be reduced accordingly.

k) All orders are subject to verification by us at any time and for any reason. We reserve the right, in our sole and absolute discretion, to require proof of identity (in a form acceptable to us): (i) for the purposes of verifying the legitimacy of any order and/or other information; and/or (ii) for any other reason we deem necessary, in our sole and absolute discretion, for the purposes of fulfilling an order in accordance with our interpretation of the terms and conditions of this agreement. We may use third party verification services for payment processing and fraud detection. Information that you have provided during your check out process may be shared with our third party partners for these purposes.

l) Pictures shown may vary from the Devices you order. Device specifications are subject to change without notice.

3. Prices And Payment Terms.

a) All prices posted on this Site are subject to change without notice. The price charged for a Device or Service will be the price in effect at the time the order is placed and will be set out in your order confirmation email. Price increases will only apply to orders placed after such changes. Posted prices do not include taxes or charges for shipping. All such taxes and charges will be added to your merchandise total and will be itemized in your shopping cart and in your order confirmation email. For avoidance of doubt, the Site does not have a price match guarantee, and we will not match the advertised price other retailers offer for the same items.
b) You have a legal obligation to pay for any orders you make through the Site. By placing an order through the Site, you are agreeing to pay, in full, the prices and all applicable taxes and specified shipping and handling and other fees in relation to your order, either by credit card or other permitted payment method. Payment must be made by the payment method selected during your order completion process through the Site. If complete payment for your order is not received and verified by us, your order will not be processed. If you do not complete or improperly complete your order it may not be accepted or acknowledged. We reserve the right, in our sole and absolute discretion, to change the permitted methods of payment, including without limitation, the credit cards and/or other types of payment options we are able to accept, at any time. We will charge your credit or debit card on dispatch of the Device or upon purchase of Services, or within 14 days of order submission (if earlier), unless stated otherwise. We reserve the right to verify and/or authorize credit or debit card payments prior to dispatch of the Devices or Services. To assist with payment processing on this Site, we use Worldpay. Worldpay is a Data Controller in respect of your personal information. Worldpay's privacy policy can be found at www.worldpay.com. Unless otherwise indicated, all dollar amounts on the Site are in CAD. If you use a payment card in another currency, charges are subject to exchange rate where applicable as assessed by your financial institution, and your financial institution may charge you a fee. Consult your financial institution for further information. You are also responsible for any additional third party costs that we do not control and cannot estimate, such as brokerage fees or duties.

c) You represent and warrant that (i) the credit card or other permitted payment information you supply to us is true, correct, and complete, (ii) you are duly authorized to use such credit card or other permitted payment method for the purchase, (iii) charges incurred by you will be honored by your credit card company or other financial institution, (iv) you will pay charges incurred by you at the posted prices, including all applicable taxes, if any, and (v) you authorize WDT to charge you for any Devices or Services purchased using your payment method.

d) If you elect to use the services of a third-party payment or billing provider in connection with your purchase from us, your use of such services will be subject to the third-party provider's own terms and conditions. You may be required to create an account with such third-party provider and/or provide that third-party provider with your bank account or credit/debit card details. We are not responsible for, and you agree to hold us harmless from and against any liability resulting from, the acts or omissions of any third-party payment or billing provider.

e) We do not warrant that the prices, quotations, anticipated delivery dates, and descriptions made or referred to on Site are accurate, free of typographical errors, complete, reliable, current, or error-free. We reserve the right to cancel any orders where such an error occurred. Promotional prices may be offered for select Devices and are subject to additional terms related to such promotion. The prices, quotations and descriptions made on the Site are subject to availability, do not constitute an offer and may be withdrawn or revised at any time prior to our express acceptance of your order (as described above).

4. Shipments; Delivery; Title And Risk Of Loss.

a) We will arrange for shipment of the Devices to you. Where any Device supplied is or includes software ("Software"), for Software delivered electronically, we will deliver such Software by electronic transmission or via download. Please check the individual Device page for specific delivery options. You are required to pay all shipping charges specified during the ordering process.
b) The places that we deliver to are listed on the Site ("Territory"). Delivery must be to a valid address within the Territory submitted by you and subject to our acceptance ("Delivery Address"). However, please note that we may not be able to ship to all valid addresses and, in such circumstances, we reserve the right in our sole and absolute discretion to cancel your order. In the event we are not able to ship to the shipping address you provide, we will notify you, your order will be cancelled, and you will receive a refund in respect of your order. You must check the Delivery Address on any order acknowledgement or acceptance we provide. If you have provided us with an incorrect Delivery Address, you must notify us immediately. We reserve the right to charge you for any extra costs arising from changes you make to the Delivery Address after you submit an order.

c) Where possible, we try to deliver all items which you have ordered at the same time. However, multiple items may not always be shipped together. In addition, depending on the size of your order you may receive several shipments to complete it. Delivery times vary according to your selected Delivery Address, availability of your items and the time of day you place your order. A signature may be required for delivery. Shipping and delivery dates and Service start dates are estimates only and cannot be guaranteed. As we use a third party to deliver Orders, it is possible that your Order will arrive before or after the estimated delivery time. To the extent permitted by applicable law, we are not liable for any delays in shipments.

d) Title for Devices (other than Software) purchased pass to you upon our delivery to the carrier. Risk of loss for Devices purchased pass to you upon delivery to the delivery address. For additional information about returns and cancellations, please review our Returns and Cancellations Policy.
