

## StorChoice™ | Support Services for Active Archive System

### Support Highlights

- **Diagnosis and resolution** of issues involving product function, configuration and usability of Active Archive hardware and software
- **Continuity of operations** defining service levels for contact response time and shipment of a hardware replacement
- **Services prioritized** to address business-impacting issues first  
Expert support team focuses on minimizing production impact issues
- **24 x 7 global coverage** by phone and web with up to 30 minute response targets
- **Parts delivery** Next Business Day, 4-hour and 2-hour service levels<sup>1</sup>
- **On-site field technician** 4-hour and 2-hour options available<sup>1</sup>
- **No-return option** available as an option for data sensitive customers

StorChoice offers comprehensive customer support services to ensure you get the most out of Active Archive Products

### Support Options

- Priority handling based on business impact
- Covers all issues involving Active Archive software and related system hardware
- Assistance in identifying application-specific issues
- Defined service levels for contact response time and shipment of replacement hardware and/or on-site field technician for replacement
- Expediting bugs, feature request opportunities, and partner engagements
- Enterprise level support, with select mission critical options

### Support Benefits

Subscription is the most cost-effective way for businesses to ensure they have the most current releases of the latest technology.

- **Protects investment** by providing access to updates that provide enhancements, new platform certifications, and access to the latest defect and security fixes released during the subscription period
- **Lowers cost** through a variety of support options to simplify administration and contract terms

### Warranty<sup>2</sup>

- Warranty issues may be reported from 5am – 5pm PT, Monday - Friday, excluding holidays
- Covers hardware repair due to defects in material or workmanship
- Customer support determines if hardware replacement is necessary

<sup>1</sup> All product units purchased by a customer must be under the same purchased support level, and all upgrades and/or expanded capacity for a product unit must be under the same purchased support level. May require a lead time of up to 90 days to set up service. May not be available in all locations. Contact your HGST representative for availability of Next Business Day and Same Day parts replacement delivery services.

<sup>2</sup> Please see product warranty terms and conditions for details.

<sup>3</sup> Support service commences on the date of shipment for hardware, and on the date of transmission for software.

<sup>4</sup> RMA/FRU replacement service level time starts upon manufacturer determination that a FRU replacement is required. No-return options are available for Gold and Platinum customers as an additional option to be charged separately.

<sup>5</sup> Gold Plus and Platinum Plus must be separately purchased in order to receive On-site Field Technician.

<sup>6</sup> Provides bug fixes, patches and software updates (minor versions) as available.

<sup>7</sup> Option only covers drives or flash and not other components of the system/platform. Available for purchase with Gold and Platinum options.
